Manura Gazette.

MONDAY EVENING, MARCH 14.

A new paper out West has started under difficulties. It tells its own story as follows: We begin the publication of the Roccy Mountain Cyclone with some phew difficulties in the way. The type phounders phrom whom we bought our outfit phor this printing office phailed to supply us with any ephs' or "cays,' and it will be phour or five weex bephore we can get any. The mis-take was not phound out till a day or two We have ordered the missing letters. and will have to get along without them till they come. We don't lique the look ov this variety ov spelling any better than our readers, but mistax will happen in the best reg-ulated phamilles, and liph the ps, hs, cs, xs and qs hold out we shall ceep (sound the c bard) the Cyclone whirling aphter a phashion till the sorts arrive. It is no juque to us-it's a serious affair."

A young man of Carbonate, Dak., thought that he'd be smart, and so began a correspondence with a foolish young woman in the East whom he had never seen. She wanted his photograph, and he sent her that of a hotel keeper of the place. She was so pleased with it that she agreed to go to Dakota and marry her correspondent. She started alone, and arrived at Carbonate the other day; but the young man had fled. The paper that reports the occurrence says: The situation is very embarrassing for the ady. The hotel man would marry her lady. The hotel man would marr were he not engaged to another girl.'

"Delays are Dangerous."

If you are pale, emaciated, have a hacking cough, with night-sweats, spitting of blood and shortness of breath, you have no time to lese. Do not hesitate too long-'till you are past cure; for, taken in its early stages, consumption can be cured by the use of Dr. Pierce's "Gol en Medical Discovery," as thousands can testify. By druggists.
